

S E R V I C E S

10% of most services and retail products (Excludes Laser Hair Removal, Sales Packages and Prescriptions). Surcharge of \$50.00 due at completion of service for Microneedling, HydraFacial (Skinwave) and Hydroluxx.

LASH LIFT AND TINT

Enhance the beauty of your natural lashes. Gives the appearance of longer and even fuller lashes; add on the tint and your lashes will be as dark as night. No maintenance, lasts 6-8 weeks and no need for mascara unless desired. No downtime.

BODY FX

The Body FX device can treat cellulite, tighten skin, and do permanent fat reduction all in one! Body FX addresses the problematic fatty tissue in larger body areas with skin tightening benefits for neck, arms, abdomen, back (flanks), and thighs. No downtime. **Consult required prior to treatment.**

HYDROLUXX

The Hydroluxx, a hydro microdermabrasion is a crystal free machine that very gently exfoliates the top layer of the skin and simultaneously infuses the skin with customized serum combinations made up of vitamins, minerals or saline. When the top layer of old dead skin cells is professionally removed by exfoliation, the new healthy layer of younger looking, polished skin is revealed. Oxygen infusion allows the skin to increase its natural metabolism and production of collagen, resulting in a more youthful appearance, smoother skin, and a brighter, refreshed complexion. No downtime.

CHEMICAL PEEL

Improve your skin's tone, texture, and clarity, reduce discoloration caused by sun damage, clear up breakouts, smooth away fine lines and wrinkles, and stimulate collagen for healthy skin cell growth resulting in a radiant complexion. Custom designed for your specific skin type. No downtime.

VEIN TREATMENT LASER FOR LEGS OR FACE

A minimally invasive treatment for spider veins, cherry angiomas, freckles, some sunspots and other benign pigmented skin conditions. No downtime.

MICRONEEDLING

This procedure involves making tiny holes in the skin with sterilized needles. The small wounds cause your body to make more collagen and elastin, which heal your skin and help you look younger. It also helps in addressing wrinkles, acne, scarring and stretch marks. Increases production of collagen which is an essential protein that helps keep the skin firm, smooth and looking youthful. It is minimally invasive, requiring no downtime. You may experience minor redness and irritation for a few days after the procedure. Numbing for 1 hour prior to this procedure is required. Numbing cream is available for purchase. **Consult required prior to treatment.**

BACK FACIAL

Cleanse, detoxify, treat acne, eliminate whiteheads and blackheads, exfoliate an area that you cannot reach on your own. Promote blood circulation, rejuvenates your skin all while reducing stress. No downtime.

MICRODERMABRASION

A non-invasive procedure to remove the superficial layer of dry, dead skin cells, soften fine lines and superficial wrinkles, reduce pore size, and clear blockages. Improves circulation of the skin which can reduce inflammation, improve mild acne, and help prevent breakouts. Provides deeper product penetration. Leave with a glow and brighter skin. No downtime.

DERMAPLANING

This procedure is performed with a surgical razor to safely remove the top layers of skin, dead skin cells and peach fuzz that traps dirt and oils. Reduces the appearance of acne scars and fine lines. Provides deeper product penetration which promotes smoother skin with no downtime.

FACIAL

Come into our serene and soothing environment and enjoy a custom deep cleansing or hydrating anti-aging facial. Each facial type is custom designed to address your specific skin type. No downtime.

HYDRAFACIAL (SKINWAVE)

The Skinwave combines an aqua-delivery system, skin revitalizing solutions and hydrogen therapy for a multi-dimensional skincare treatment. This professional skincare machine incorporates solutions rich in Alpha Hydroxy Acid (AHA), Beta Hydroxy Acid (BHA), Hyaluronic Acid and Hydrogen (H₂) using hydradermabrasion. Solutions are infused deep into the skin, while gentle extraction removes impurities. The Skinwave facial is the ultimate compliment to brighten, improve vitality and tone in all skin types. No downtime.
